DETAILED ACTION

Election/Restrictions

1. This application is in condition for allowance except for the presence of claims 11, 13 and 16-19 to species non-elected without traverse. Accordingly, claims 11, 13 and 16-19 have been cancelled.

Allowable Subject Matter

2. Claims 1, 2, 5-9, 12, 14, 15, 20 and 26 are allowed.
3. The following is an examiner's statement of reasons for allowance:

As to claim 1, Abbott et al. (US 4,950,098) disclose the claimed fence slat with the exception of a rib positioned between the first side wall and the second side wall so as to divide the longitudinal hollow body into two separate enclosed chambers, such rib having a harpoon-shaped locking portion positioned thereon.

As to claims 20 and 26, Abbott et al. disclose the claimed fence slat with the exception of a rib connecting the first wall and the second wall of the hollow longitudinal body so as to divide the hollow longitudinal body into two separate enclosed chambers, such rib having a harpoon-shaped locking portion positioned thereon.

There is no teaching or suggestion, absent the applicant's own disclosure, for one having ordinary skill in the art at the time the invention was made to modify a fence slat as disclosed by Abbott et al. to have the above mentioned elemental features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
